2009-11 Budget Bill Statutory Language Drafting Request

- Topic: Technical Changes
- Tracking Code: BB0148
- SBO team: Agriculture, Environment and Justice
- SBO analyst: Andrew Miner AM
 - Phone: 266-1103
 - Email: andrew.miner@wisconsin.gov
- Agency acronym: DATCP
- Agency number: 115
- Priority (Low, Medium, High): High

Intent: Make the following changes to DATCP language. See attached sheets for explanation and drafting suggestions. (Please ignore the first bullet point; this was done in 2007 Act 20).

9. Technical Changes

Explanation:

DATCP proposes the following technical changes to its current budget structure under ch. 20, Stats.:

- Rename budget program category 3 from "Marketing Services" to "Agricultural Development Services," consistent with current DATCP organizational terminology.
- Move the current "gifts and grants" appropriation for the agricultural education and workforce development council from DATCP budget program category 8 (Central Administrative Services) to category 3 (renamed Agricultural Development Services). (See DIN 5070, Minor Appropriation Modifications.)
- Correct a technical error in the current pesticide manufacturer and labeler license fee calculation that sometimes results in sales double-reporting and fee overcharges.

These changes are purely technical and organizational, and have no other budget impact.

Statutory Language:

SECTION ____ 20.115(3)(title) of the statutes is amended to read:

20.115(3)(title) MARKETING AGRICULTURAL DEVELOPMENT SERVICES.

SECTION ____ 20.115(8)(ge) of the statutes is renumbered (3)(ge).

SECTION ____ 94.681(6)(a)2. of the statutes is amended to read:

94.681(6)(a)2. By March 31 of the year following the year in which the person stopped selling or distributing the pesticide product for use in this state, file a report with the department showing the gross revenue that the person derived from the sale of the pesticide product for use in this state from October 1 of the year ~~before the year~~ in which the person stopped selling or distributing the pesticide product to December 31 of the year in which the person stopped selling or distributing the pesticide product.
